SPONSORSHIP REGISTRATION

4 Levels of Corporate Sponsorship Available

Business Name _____

Contact Name _____

Address _____

City _____ State _____ Zip _____

EMAIL _____ Phone _____

(To select your level, place an "X" and initial on the line next to your pledged level of sponsorship)

Bronze: Donation of \$250-\$499

Bronze level sponsorship yields advertising at the race and your company logo or name on the thank you letter to all participants and participation in the race for **TWO** representatives from your company.

Silver: Donation of \$500-\$999

Silver level sponsorship yields advertising at the race, your company logo or name on the thank you letter to all participants, and your company logo on the Reece's RoundUp race day t-shirts, and participation in the race for **FOUR** representatives from your company

Gold: Donation of \$1000 or more

Gold level sponsorship yields advertising at the race, your company logo or name on the thank you letter to all participants, your company logo on the Reece's RoundUp race day t-shirts, participation in the race for **SIX** representatives from your company, and a representative from your company may speak at the RoundUp.

*By electing to sponsor Reece's RoundUp, I give permission for my company name and logo to be used in advertising for this event and on the race day t-shirts.

Signature _____ Date _____

Please Initial Waiver; fill in the names, event and size of t-shirt for company participation under the appropriate event.

Community Outreach: Donation of \$25 or more

Community Outreach level sponsorship yields your corporate advertisement through your company coupons or flyers handed out to each participant at the end of each race.

E-mail company logo Deadline for logo to appear on t-shirt is June 30th.

Let me share with you briefly, the miracle story of Reece Anthony Rubino. Reece is the son of Jeff and Lesa Rubino who at 3 months old was diagnosed with Spinal Muscular Atrophy, Type 1 (SMA or Werdnig Hoffmann Disease). Reece's parents were told that their son would not live to see his second birthday. SMA Type 1 is a terminal and degenerative disease with key symptoms that include progressive muscle weakness. Simply stated – SMA eventually impacts every muscle in the body. Reece is very physically challenged, but he is a bright, inter-active young boy who loves life and enjoys each and every day.

REECE'S CARE:

Reece needs to be in our sight every second of every day. The care that is provided for Reece is as simple as feeding him through a feeding tube, grooming, and assistance in potty-time, itching his eye, and rotating him to avoid additional soreness. Sadly, the more complex care involves suctioning his secretions, helping him cough, stimulating him when his heart beat drops to low levels, and performing life saving techniques. Reece stays on a breathing machine-pulse/ox from 9pm to 9am. He wakes quite a few times during the night either because of alarms or to be repositioned. Jeff and Lesa's bedroom is setup like an ICU unit. They operate on very little sleep and are prepared any day or night to dash to Children's Hospital to save their son's life.

Reece can seldom leave the house in the months from October to April. While SMA is not classified as an immunity disease, Reece cannot forcefully sneeze or cough and his lung capacity is compromised. A common cold can quickly turn into pneumonia or a more serious respiratory illness. For these reasons, Reece attends virtual pre-school and absolutely loves it!

State and local funding sources make it VERY DIFFICULT for the Rubino Family to take care of their own child.

BLESSINGS:

Reece is now 5 years old and, as a family, we make the most of every day with him. Like every family, we make memories, celebrate milestones, and dream that one day research will find a cure and Reece will be running around with other kids his age. For now though, we'll enjoy what Reece can do. **He can talk!** Although his words aren't perfectly clear, most children with his condition cannot speak at all. Reece can play a few computer games, he plays cards, throws a ball, he can run on Wii Fit and loves to play hide and seek with his Winnie the Pooh stuffed animals which requires him to be carried through each room on the hunt for his favorite animal.

**Today, you can make an immediate difference
In the life of this little boy and his family.**

Sign up to be a part of Reece's Roundup today!

We thank you in advance for your participation, whether you walk, run, become a corporate sponsor, make a contribution, or just say a prayer; you are helping to improve the length and quality of Reece's life and continuing to support the family's efforts.

There is no way this family could make it without you!

**HOPE...When the world says "Give Up"
Hope whispers, "Try it one more time."**

"Faith makes all things possible, not easy."

**"The proof of love is in the works.
Where LOVE exists, it works great things.
But when it ceases to act, it ceases to exist."**

**DIRECTIONS TO BUTTERFIELD PARK

Spinal Muscular Atrophy

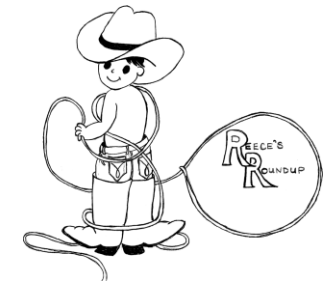

5K Run / 1 Mile Walk

Saturday, July 30, 2011

**Butterfield Park
Castle Rock, CO
(Meadows Subdivision)**

**Check-in starts: 7:30 am
5K Run starts: 8:30 am
1 Mile Walk starts: 9:30 am**

Registration closes 15 minutes prior to start of race.

**Every day a five year old little boy struggles
To maintain his ability
To hold a small bouncy ball,
To turn his hand backward to hit a keyboard,
To turn his head,
To move his arms and legs slightly,
To swallow,
To talk,
To maintain his ability to breathe on his own
For twelve hours a day.**
